Augustine and the Catechumenate William Harmless

As one of the most influential thinkers in Christian history, St. Augustine (354–430) had a flair for teaching and meditated deeply on the mysteries of the human heart. This study examines a little-known side of his career: his work as a teacher of candidates for baptism.

In the revised edition of this seminal book, both the text and notes have been revised to better reflect the state of contemporary scholarship on Augustine, liturgical studies, and the catechumenate, both ancient and modern. This edition also includes new findings from some of the recently discovered sermons of Augustine and incorporates new perspectives from recent research on early Christian biblical interpretation, debates on the Trinity, the evolution of the liturgy, and much more.

This reconstruction of Augustine's catechumenate provides fresh perspectives on the day-to-day life of the early church and on the vibrancy and eloquence of Augustine the preacher and teacher.

From reader reviews:

John Ma:

Book is definitely written, printed, or outlined for everything. You can learn everything you want by a reserve. Book has a different type. As you may know that book is important matter to bring us around the world. Next to that you can your reading proficiency was fluently. A publication Augustine and the Catechumenate will make you to become smarter. You can feel far more confidence if you can know about every little thing. But some of you think that will open or reading a new book make you bored. It is not make you fun. Why they could be thought like that? Have you seeking best book or suited book with you?

Evelyn Montgomery:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, the particular best subject for that? Just simply you can be answered for that concern above. Every person has different personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great and important the book Augustine and the Catechumenate. All type of book could you see on many resources. You can look for the internet sources or other social media.

Daniel Adams:

This Augustine and the Catechumenate is great e-book for you because the content that is full of information for you who have always deal with world and also have to make decision every minute. This book reveal it data accurately using great coordinate word or we can declare no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having Augustine and the Catechumenate in your hand like having the world in your arm, information in it is not ridiculous 1. We can say that no reserve that offer you world in ten or fifteen moment right but this e-book already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt in which?

Ronald Dotson:

A lot of people said that they feel fed up when they reading a book. They are directly felt it when they get a half portions of the book. You can choose often the book Augustine and the Catechumenate to make your reading is interesting. Your skill of reading ability is developing when you just like reading. Try to choose easy book to make you enjoy to read it and mingle the feeling about book and reading especially. It is to be initial opinion for you to like to open a book and examine it. Beside that the guide Augustine and the Catechumenate can to be your brand-new friend when you're feel alone and confuse in doing what must you're doing of their time.
