Experiencing the Psalms: A Bible Study Commentary Ralph F. Wilson

The Book of Psalms represents a rich tapestry of prayer and praise. Some psalms reflect a texture of deep despair. Others glow with a deep peace in the Lord's strength. Still others bubble with an exuberant exaltation of the Most High God. These psalms cover the range of human emotion and experience. What they all have in common is prayer, a reaching out to God from every imaginable experience.

In this 12-week study you'll attempt to enter into the experience of the psalms. You'll explore the meanings of words and learn to appreciate the high art of these poetic masterpieces. You will study thoughtfully, carefully.

But more than that you will learn from the Psalms how to pray. You will discover how to find peace in the midst of turmoil. You will learn to be thankful. You will follow the pattern of the psalmists as you begin to praise. In short, with the psalms as your guide, you will grow deeper in your walk with the Lord and more able to offer worthy praise to the King. You will *experience* the Psalms.

Experiencing the Psalms is part of the highly-acclaimed JesusWalk Bible Study Series. Here's what people have said about this study:
