"Tunnels made by a legion of giant bugs crisscross the fields below Weeville, and only one thing can stop them from overrunning this quaint California town: the Juice Squeezers. A covert group comprised of scrawny tweens, the Squeezers are the only ones who can fit into the cramped subterranean battlefield and fight the insects on the frontlines! Eisner Award-winning creator David Lapham! A bug-gore-filled young adult action adventure story in the vein of E.T., The Goonies, and Stand by Me! ""The story is fun, the characters' interactions are charming and interesting and the art is to die for. Lapham's style is masterful and Loughridge's colors complement the style and story.""-Comic Bastards "
