Lakeland celebrates the history of one of central Florida's most scenic cities. The small town that encompasses dozens of lakes was perfectly named in 1883, and grew to include an eclectic mix of downtown buildings, elegant hotels, roadways, handsome parks, and picturesque neighborhoods. By mid-century, Lakeland had grown to support small industries, churches, several schools, an airport, and two small colleges, one of which features the largest single-site collection of Frank Lloyd Wright architecture.
