Model: A Memoir Cheryl Diamond

Every year, hundreds of the most beautiful people in the world come to New York to become models. At age fourteen, Cheryl Diamond was one of them. Living on her own in a run-down apartment, Cheryl spent her days on go-sees, runways, and shoots, surviving hand-to-mouth, while taking in everything she could about the tough and sleazy modeling industry. She watched other girls make mistakes, and swore she wouldn't be a victim...until a career-altering event changed her life and nearly ruined her shot at her dream. This is the riveting, true account of Cheryl's triumphant rise, disastrous fall, and phoenix-like comeback in one of the hottest and most demanding industries in the world.
