Doubts, depression and discouragement are characteristic responses of someone who has endured an experience of 'bad things happening to good people.' When a promise from God does not come to pass, the aftermath is often confusion about validity of a personal relationship with the Lord. In *Praying Through Sorrows*, co-authors Dutch Sheets and Chris Jackson confront the emotional anguish awaiting the arrival of a long delayed breakthrough. Forsaking any cliché about the patience of Job, *Praying Through Sorrows* shows how one overcomes the debilitating state of 'hope deferred making the heart sick,' while seeking a restoration of faith in God's goodness.
