**By What Authority Do We Teach?: Sources for Empowering Christian Educators** Robert W. Pazmino To reject power and its legitimate use is ultimately to reject God's gift and intention for Christians as we live in the world writes Robert W. Pazmino. He defines what authority is and how it is perceived by and operates in various Christian communities. He applies these factors and the need for confident, authoritative teachers specifically to the ministry of Christian education. By What Authority Do We Teach? completes a trilogy covering key elements of evangelical education. Also in print are Foundational Issues in Christian Education, an agenda of theological, sociological, psychological, curricular, and other concerns; and Principles and Practices of Christian Education, which integrates conversion and connection into the teaching task.
