Cristina García

The Lesser Tragedy of Death (Black Goat) Cristina García

"[A] brave and moving tribute to a brother gone astray; with skill, unflinching honesty, and redemptive compassion, Cristina García tracks his marvelous, complex, and errant life. . . . These poems are the beautiful, painful, astonishing result of a journey to hell and back in search of the brother she loves. With this first book of poems, García, one of our best novelists and storytellers, proves herself to be a talented poet as well."—Julia Alvarez, author of *Saving the World*

Cristina García is the author of several novels—including *Dreaming in Cuban*—anthologies, and books for young readers. A National Book Award nominee, she is also a visiting professor and Black Mountain Institute teaching fellow in creative writing at the University of Nevada, Las Vegas.
