The Overloaded Ark Gerald Malcolm Durrell

Gerald Durrell, director and owner of Jersey Zoo, was internationally famous for his amusing books about collecting wild animals, in particular *My Family and Other Animals*. But *The Overloaded Ark*, his first, remains his funniest book. It describes an expedition to the remote territory of the Cameroons in West Africa, before independence. "A delightful book...You can feel his bush-shirt sticking to his back...Bagging a monitor, smoking out a Pangolin (scaly anteater), celebrating the capture of the rare Angwantibo (small lemur), bird liming for Giant Kingfishers on the warm, milky waters of Lake Soden: he communicates every detail of his experiences with just the right degree of zest." (New Statesman).
