Kiss Your Stockbroker Goodbye: A Guide to Independent Investing John Wells

It's a personal-finance mutiny: record numbers of individual investors are taking their portfolios into their own hands. Now that ordinary citizens can easily access investment information and trade shares, the magic wisdom of a broker is becoming an outdated myth. In this brilliant call to arms, John G. Wells exposes the truth: most brokers don't even match the average return of the stock market.

Wells's clear, accessible advice takes the mystery out of buying stocks and provides a detailed plan of action. For beginning and experienced investors alike, Wells simplifies the process and introduces all the tools needed to execute your own investment activities with tips such as: How to find and work with discount brokers Where to find the most reliable information, including hundreds of print and electronic sources Who to ask when you need advice, how much they'll charge, and why their advice will be less biased than a broker's A detailed directory of financial products and services A sound, easy-to-implement system for selecting stocks, bonds, and mutual funds *Kiss Your Stockbroker Goodbye* finally puts your finances in the hands of the one person who has a totally vested interest in your success: you.
