Every trick selected had to be practical and no manipulative move was required. A means of eliminating the difficult move had to be created to present you with a variety of tricks, using only common articles that are easily obtainable. Any special apparatus required must be simple enough to be made by the average person or child. Also, any material thereof must be easily obtainable. For example, in the kitchen, garage, around the house and in a hobby shop. Just to name a few. These tricks are also created for every conceivable situation, wherever you find yourself, anytime and everywhere. Although no manipulative skill is involved, please study these tricks carefully before presenting them and never do a trick twice.
