Remembered Remedies: Scottish Traditional Plant Lore Anne Barker

Based on the recollections of hundreds of people from all over Scotland, *Remembered Remedies* is a fascinating insight into the way plants have featured in Scottish life for generations—whether it be collecting seaweed from island shores and using garden vegetables or bottling cordials, making heathier beds and chaff mattresses and using plants for medicinal purposes. Organized by habitat and use (field, meadow and machair; hedgerows and paths; hillsides and moorland; lochs, bogs and wells; seashore; trees and woodland; vegetables and kitchen cures) the book also includes botanical information and full color photographs of over 100 plants. It is ideal for reference and for those who want to identify plants where they grow.

From reader reviews:

Timothy Roesch:

What do you regarding book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every individual has many questions above. They have to answer that question due to the fact just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this Remembered Remedies: Scottish Traditional Plant Lore to read.

Arthur Pineda:

Do you certainly one of people who can't read pleasant if the sentence chained in the straightway, hold on guys this particular aren't like that. This Remembered Remedies: Scottish Traditional Plant Lore book is readable simply by you who hate the perfect word style. You will find the facts here are arrange for enjoyable looking at experience without leaving perhaps decrease the knowledge that want to give to you. The writer regarding Remembered Remedies: Scottish Traditional Plant Lore content conveys the idea easily to understand by many people. The printed and e-book are not different in the content but it just different such as it. So , do you still thinking Remembered Remedies: Scottish Traditional Plant Lore is not loveable to be your top list reading book?

Shaun Richards:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only situation that share in the publications. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their expertise in writing, they also doing some investigation before they write on their book. One of them is this Remembered Remedies: Scottish Traditional Plant Lore.

Dennis Gaines:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Remembered Remedies: Scottish Traditional Plant Lore, you could enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't buy it, oh come on its named reading friends.
