Stranded on a desert island, faced with a terrible secret . . . This is *Shipwrecked*. *Lost* meets *We Were Liars* for young adult readers of E.Lockhart, John Green and Zoella.

I jump at the sound of a whispered voice over my shoulder. But when I turn all I see is sand, and the towering, green wall of the rainforest. I guess it must have been the breeze, but I can't help shivering. I have the weirdest feeling we're being watched. Grace Delaney and her fellow dance students are en route to perform on a South Pacific cruise-ship when a freak storm hits and they find themselves stranded on a deserted island. With the tropical heat rising, passions and tensions swell to breaking point. And the island itself is quietly steaming with a terrible secret . . .

Shipwrecked is a heartpounding new series from rising star Siobhan Curham. Combining romance, mystery, secrets, betrayal and even voodoo in a steamy, tropical island setting, these books for teens promise to set the pulse racing.
