Weathercraft Jim Woodring

Weathercraft is Woodring's first full-length graphic novel set in the world of his most beloved character, Frank -- indeed, Woodring's first graphic novel, period! -- and it features the same hypnotically-gorgeous linework and mystical iconography.

As it happens, Frank has only a brief supporting appearance in Weathercraft, which actually stars Manhog, Woodring's pathetic, brutish everyman (or everyhog).

After enduring 32 pages of almost incomprehensible suffering, Manhog embarks upon a transformative journey and attains enlightenment. He wants to go to celestial realms but instead altruistically returns to the unifactor to undo a wrong he has inadvertently brought about: The transformation of the evil politician Whim into a mind-destroying plant-demon who distorts and enslaves Frank and his friends. The new and metaphysically expanded Manhog sets out for a final battle with Whim...

Finalist, 2010 Los Angeles Times Book Prize for Graphic Novels

Named one of Publishers Weekly's Best Books of 2010

Ranked #6 on TIME.com's Best Graphic Novels of 2010

"Weathercraft is a magnificent and slightly wicked little book: a whimsical farce about some of the nastiest, darkest metaphysical stuff there is, a banquet for the eyes that starts growing tendrils once it's inside you." ?
Douglas Wolk, Publishers Weekly
