Where Am I Now?: True Stories of Girlhood and Accidental Fame Mara Wilson

For readers of Lena Dunham, Allie Brosh and Roxane Gay, this funny, poignant, daringly honest book introduces Mara Wilson—the former child actress best known for her starring roles in *Matilda* and *Mrs. Doubtfire*—as a brilliant new chronicler of the experience that is growing up young and female

Mara Wilson has always felt a little young and a little out of place: as the only child on a film set full of adults, the first daughter in a house full of boys, the sole clinically depressed member of the cheerleading squad, a valley girl in New York and a neurotic in California, and an adult the world still remembers as a little girl. Tackling everything from how she first learned about sex on the set of *Melrose Place*, to losing her mother at a young age, to getting her first kiss (or was it kisses?) on a celebrity canoe trip, to not being “cute” enough to make it in Hollywood, these essays tell the story of one young woman’s journey from accidental fame to relative (but happy) obscurity. But they also illuminate a universal struggle: learning to accept yourself, and figuring out who you are and where you belong. Exquisitely crafted, revelatory, and full of the crack comic timing that has made Mara Wilson a sought-after live storyteller and Twitter star, *Where Am I Now?* introduces a witty, perceptive, and refreshingly candid new literary voice.

From the Trade Paperback edition.
