**A girl can never have too much luck. . .**

Once upon a time, Josie Vaughn went from living the simple life to becoming the "it" girl of the fashion modeling scene. But the fairy tale abruptly ended, leaving her with no career, a stash of unpaid bills, and an empty social calendar. Then a twist of fate lands her back in front of the camera, and she suddenly finds herself under the spell of Marcus Ashland--the drop-dead gorgeous "it" guy of the fashion photography scene that everyone wants in their bed. And the only bed Marcus wants to be in--is Josie's. . . .

**When it comes to love. . .**

Marcus seems to have it all: youth, style, and loads of sex appeal. . .unlike Andy Wyatt--the southern millionaire businessman who does nothing for Josie's libido, although he is the sweetest man she's ever met. So why is she bothered when she runs into him with a blonde bombshell on his arm? And why can't she stop thinking about him? Now, torn between two men, Josie will have to hope for another twist of fate to give her a happily-ever-after kind of love. . .

"A wicked, clever send-up of the world of fashion!"--Simon Doonan, author of *Nasty--My Family and Other Glamorous Varmints*
