Whether texting or talking, teenagers use thousands of words every day - with the possible exception of some seventh-grade boys whose random grunts to your questions require divine interpretation!

But do your students recognize the incredible power of their words? Are they searching for opportunities to use their words in ways that honor God and point other people toward Jesus? Are they building lives on the foundation of the reliable, trustworthy Word of God?

*This 12-lesson volume of Grapple features three series centered on powerful words:*

- Valuing the Bible as the Word of God
- Learning how to share faith with friends
- Knowing how to respond to people of other faiths-or no faith

Each lesson features interactive, hands-on elements that will get your junior highers talking, moving around, and seeking answers.

Wherever your students are in their spiritual journey, they all have inquisitive minds and a need for Christ-centered biblical depth. Grapple will help your junior highers examine tough topics in meaningful ways so they understand and own their faith. Each week, students engage with memorable Bible passages and characters, grapple with the issues that come to the surface, and discover a path that leads them straight to Jesus Christ.
