## **L'intransigenza (Gli Antidoti) (Italian Edition) Paolo Calabrò**

I locali parrocchiali della chiesa di San Leopoldo, rettoria di proprietà comunale, sono stati devastati durante la notte. Ma al sindaco di Puntammare, paesino del litorale casertano, che ha a cuore più la propria immagine che la giustizia, non importa scoprire i colpevoli; a lui basta che la giunta municipale non resti invischiata in questa brutta vicenda. Così, di punto in bianco, Nico Baselize – vigile urbano – e Maurizio Auriemma – impiegato dell'ufficio tributi che esce di casa solo al calar del sole – si ritrovano a formare una squadra di investigatori loro malgrado e a condurre un'indagine irregolare e anomala che rischia di coinvolgere i nomi più in vista della cittadina e di creare uno scandalo politico senza precedenti.

Un noir che non si assoggetta ai canoni classici del genere, nel quale i protagonisti si troveranno a spostarsi tra gli uffici del comune e le strade della costa, tra uomini che hanno sempre un secondo fine e donne davanti alle quali non si riesce a spicciare una sola parola. Finendo per scoprire che spesso la mentalità collettiva miete più vittime dei singoli moventi. Sullo sfondo, un cristianesimo degenerato e dominato dal “Dio perverso”, in grado di ispirare nella migliore “buona fede” le azioni più ignobili. Come fare a individuare un criminale che agisce con una sua logica consequenziale, dalla razionalità perfettamente calcolabile... ma a rovescio?
