## **Restarting Stalled Research** Paul C. Rosenblatt

Written for researchers and graduate students writing dissertations, **Restarting Stalled Research** is a unique book that offers detailed advice and perspective on many issues that can stall a research project and reveals what can be done to successfully resume it. Using a direct yet conversational style, author Paul C. Rosenblatt draws on his decades of experience to cover many diverse topics. The text guides readers through challenges such as clarifying the end goal of a project; resolving common and not-so-common writing problems; dealing with rejection and revision decisions; handling difficulties involving dissertation advisers and committee members; coping with issues of researcher motivation or self-esteem; and much more.
