MyITCertificationlabs should be used in an instructor led classroom environment and are not intended for individual self-study myITcertificationlab: Security+ is an easy-to-use exam preparation service that both tests your readiness and teaches you what you need to know to pass the CompTIA Security+ (SY0-301) exam. The Web-based service assesses your knowledge with brief, objective-specific quizzes. Then it provides not only feedback in areas where you need further study within the objective, but you are also provided with the actual study materials you need to learn in the form of PDFs from our CompTIA Security+ SY0-301 Authorized Cert Guide, Deluxe Edition, Second Edition, as well as from visual learning tools from a variety of IT security experts. After reviewing the learning materials you take another test to be sure you understand those objective concepts and that you are ready for the actual exam. When you have completed all the objectives, you can take two full-length practice exams, providing you a measurement on your exam readiness, practice for the exam experience, and confidence to pass the CompTIA Security+ SY0-301 exam.
