Die neuen Grenzen des Wachstums (German Edition) Nihat Canak

Studienarbeit aus dem Jahr 2005 im Fachbereich Geowissenschaften / Geographie -

Bevölkerungsgeographie, Stadt- u. Raumplanung, Note: 1.3, Universität Mannheim, Veranstaltung: Business Dynamics, 9 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: Auf die Arbeiten Jay W.

Forresters, insbesondere auf seine allgemeine Modellmethodologie, stützt sich das von Dennis L. Meadows geleitete Forschungsteam am Massachusetts Institute of Technology (MIT) und erarbeitet 1972 für den Club of Rome die Studie The Limits to Growth (Die Grenzen des Wachstums). Dennis L. Meadows und seine Mitarbeiter führen eine Systemanalyse mit einem Computerrechenmodell (World3) durch, welches die komplexe Vernetzung globaler Prozesse berücksichtigt, diese Vorgänge in Regelkreise fasst und Simulationen zu unterschiedlichen Szenarien ermöglicht. Das Programm verfolgt die Entwicklungen von Bestandsgrößen wie Bevölkerung, Industriekapital, Umweltverschmutzung und landwirtschaftlich genutzte Flächen. Der Anfangszeitpunkt des Modells wird ins Jahr 1900 verlegt, da ab diesem Zeitpunkt einigermaßen zuverlässige und auswertbare Informationen vorliegen. Die Wahl des Zeithorizontes beträgt 200 Jahre . Bei den Simulationen werden mit unterschiedlich hohen Rohstoffbeständen der Erde gerechnet und eine unterschiedliche Effizienz von landwirtschaftlicher Produktion, Geburtenkontrolle oder Umweltschutz angesetzt. In dieser Arbeit werden die dem Bevölkerungssektor zugrundeliegenden Strukturen, die Schnittstellen zu den übrigen Sektoren und die sich hieraus ergebenden Szenarien untersucht.

From reader reviews:

Adrienne McGinnis:

Hey guys, do you wish to find a new book to learn? Maybe the book with the headline Die neuen Grenzen des Wachstums (German Edition) suitable to you? The book was written by famous writer in this era. The particular book entitled Die neuen Grenzen des Wachstums (German Edition) is the one of several books that everyone reads now. This book has inspired lots of people in the world. When you read this publication you will enter the new shape that you never knew prior to. The author explained their strategy in the simple way, and so all of people can easily know the core of this e-book. This book will give you a great deal of information about this world now. So that you can see the representation of the world with this book.

Rafael Arent:

The actual book Die neuen Grenzen des Wachstums (German Edition) has a lot of knowledge on it. So when you check out this book you can get a lot of benefit. The book was authored by the very famous author. This author makes some research just before writing this book. This particular book is very easy to read; you will get the point easily after perusing this book.

Roger Cooper:

Reading a book to become a new life style in this season; every person loves to examine a book. When you learn a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, since a book has a lot of information in it. The information that you will get depends on what types of book that you have read. If you would like to get information about your study, you can read education books, but if you act like you want to entertain yourself look for fiction books, these kinds of books, novels, comics, along with more. The Die neuen Grenzen des Wachstums (German Edition) will give you a new experience in examining a book.

Emmaline Jett:

As a college student, I exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So, this Die neuen Grenzen des Wachstums (German Edition) can make you experience more interested to read.
