Blush: This is a sensual romance (may have explicit love scenes, but not erotic level) What do tattooed butts, the Mafia and a medical student have in common? Tonia Fuller! Tonia, a blonde bombshell with a bust to make a Barbie doll weep, is a klutz. Wearing four-inch spike heels and already top-heavy, her center of gravity is elusive. When hunky medical student Raphael Beauchamp comes to her rescue twice, he thinks he knows why Tonia's falling. It's those ridiculous designer stilettos. After Tonia's tumble down some stairs results in a nasty concussion and she has no one to stay with her, Raphael opts to look after this headstrong beauty. Raphael discovers that Tonia's the ex-wife of a Las Vegas Mafia don. She has half an offshore bank account number tattooed on her butt and someone's after her. A normal person would don a pair of running shoes and get the hell out of Boston. But it's too late for Raphael. Tonia's not the only one who's been falling.
