John Cynthia Lennon

Now in paperback, the *New York Times* bestselling exposé of the real John Lennon

The time has come when I feel ready to tell the truth about John and me, our years together and the years since his death. There is so much that I have never said, so many incidents I have never spoken of and so many feelings I have never expressed: great love on one hand; pain, torment, and humiliation on the other. Only I know what really happened between us, why we stayed together, why we parted, and the price I have paid for being John's wife. —**From the Introduction**

From the Trade Paperback edition.
