Mentes Renovadas (Portuguese Edition)

Silvio Dutra

Mentes Renovadas (Portuguese Edition) Silvio Dutra

Muitos séculos antes de o homem se entregar à pesquisa científica da mente, o escritor da inspiração sagrada a ela se referiu estando, portanto, totalmente livre da influência das especulações filosóficas e das práticas empíricas, recentes, relativas ao estudo da mente, e muito menos ocupado em tratar as enfermidades cuja origem está relacionada ao cérebro. Também não se ocupa a Bíblia em analisar o inconsciente freudiano e todos as demais funções cerebrais relacionadas ao sistema nervoso parassimpático uma vez que a ação da graça divina trata e opera em justa cooperação com o consciente. As manifestações do inconsciente são imaginárias e não estão sujeitas a qualquer linha racional e lógica, conforme pode-se constatar nos sonhos e notadamente nos pesadelos. De modo que ao falar sobre a mente a Bíblia alude simplesmente ao intelecto, ao entendimento racional, que ainda que esteja no seu melhor estado, livre de qualquer anomalia psicossomática, necessita ser renovado pelo Espírito Santo.
