## Obsessive Intimacies Yani

Monogamy was not one of Markel's strongest suits during the beginning of his relationship with the woman he referred to as "his right hand" lady. During the first five years of his relationship with Tierra, he had an insatiable appetite for a variety of women, having numerous affairs while thinking Tierra was none the wiser. Unbeknownst to him, Tierra was well aware of his adulterous activities and decided to indulge in her own sweetest payback by seeking comfort in the arms of his best friend, giving into the age old ideology- what's good for the goose is good for the gander. After starting a family, getting married and launching two lucrative careers, Markel threw in his player's card and devoted his life to his wife and family, insuring he was able to provide them with the best life they deserved. But when a new temptation crosses his path, Markel quickly reverts back to his cheating ways - old habits die hard! Not willing to sit idly by while her husband continues to disrespect her and their marriage, Tierra decides to give Markel a taste of his own medicine when she begins an affair of her own as well, introducing problems neither one of them anticipated having. From road rage and fist fights, to a racist, violent father of Markel's White mistress, these two affairs quickly spiral crazily out of control, forming obsessions which prove deadly in the end! Obsessive Intimacies is an erotic tale full of suspense with a plot extremely real and relatable to any woman who has ever been cheated on. Written in first person, Markel gives insight into why he cheats while Tierra asks the age old questions many women ask every day; Why do men cheat? What is wrong with me? How come I am not enough? What can I do to make him commit? A cross between Jungle Fever and Fatal Attraction and filled with steamy, wild and erotic sex scenes, this story is sure to grab onto you from the first page and not let you go until the last sentence!
