The Big Book of Off-The-Grid Secrets: How to Protect Yourself and Your Family in the Coming Hard Times - Volume 2

Last year, Off the Grid News put out their first volume of The Big Book of Off the Grid Secrets and it was a wonderful success. As our readers know, Off the Grid News has been leading the way in hard-hitting news, practical help, and time-saving tips for getting "off the grid." Daily articles in their newsletter and on their website run the gamut from gardening to hunting, from alternative energy to bartering, from homesteading to self-defense, and from faith to politics. Now they're bringing you the The Big Book of Off the Grid Secrets, Volume 2, filled with fifty of the most-read and informative articles from 2012. Readers will find information on gardening, food storage and preparation, health, do-it-yourself, survival, self-defense, energy, and precious metals. In addition, they've included the transcripts from their ten most popular radio shows from 2012, which includes the police state, preparing to live on nothing at all, corruption in America, the John Birch Society, and Red diaper babies. Readers won't find this much information in one book anywhere else. If readers are really interested in being "off the grid," then this compilation will only be an added value in their preparation library.
