This text is part of a four-volume paperback set of accounting notes providing the information needed to pass the Uniform CPA Examination, each packaged according to the examination part. The formats include: terms; key criteria and concepts; definitions; memory boosters; summaries; key point worksheets; tax rules; schedules; and mnemonics, all presented in an easy-to-read style and with some approaches designed especially for the CPA Examination. Each book includes: a series of structured approaches designed to facilitate the solving of quantitative and conceptual questions on the CPA exam; review process, covering questions in brief formats; notes for candidates, the majority specific to a particular subject or question situation that appears on the CPA exam; formats that are generalized approaches such as typical journal entries or account analyses applied in a number of question situations; and a time-saving tool that should boost productivity. The book can also be used by CPAs as a refresher.
