Blush sensuality level: This is a sensual romance (may have explicit love scenes, but not erotic in frequency or type).

Agent Jonathon Vale has been dealt some lousy assignments in his time but slogging through the frozen woods to retrieve some research scientist definitely seems a waste of his time. Veronica has two PhDs and a tepid sex life, so her best friend arranges a male escort as Veronica's birthday present. When the hunky disgruntled agent shows up, that's who Veronica believes he is.

A hot make-out session and some confused conversation later, Jonathon manages to make his purpose clear, thanks to a little help from some unannounced gunmen. Whatever Penthouse Forum situation Jonathon's walked into, his only interest is getting Veronica to safety. Sort of. It's hard to forget rolling around on her bed.

With a deep fear of flying, the last thing Veronica wants to see is his helicopter. Forced to trust him, Veronica isn't sure where her heart will land.

*A Blush® romantic suspense from Ellora's Cave*
