Bridget Jones: Mad About the Boy (Bridget Jones Series Book 3) Helen Fielding

A GoodReads Reader's Choice

Bridget Jones—one of the most beloved characters in modern literature (v.g.)—is back! In Helen Fielding's wildly funny, hotly anticipated new novel, Bridget faces a few rather pressing questions:

What do you do when your girlfriend's sixtieth birthday party is the same day as your boyfriend's thirtieth?

Is it better to die of Botox or die of loneliness because you're so wrinkly?

Is it wrong to lie about your age when online dating?

Is it morally wrong to have a blow-dry when one of your children has head lice?

Is it normal to be too vain to put on your reading glasses when checking your toy boy for head lice?

Does the Dalai Lama actually tweet or is it his assistant?

Is it normal to get fewer followers the more you tweet?

Is technology now the fifth element? Or is that wood?

If you put lip plumper on your hands do you get plump hands?

Is sleeping with someone after two dates and six weeks of texting the same as getting married after two meetings and six months of letter writing in Jane Austen's day?

Pondering these and other modern dilemmas, Bridget Jones stumbles through the challenges of loss, single motherhood, tweeting, texting, technology, and rediscovering her sexuality in—Warning! Bad, outdated phrase approaching!—middle age.

In a triumphant return after fourteen years of silence, *Bridget Jones: Mad About the Boy* is timely, tender, touching, page-turning, witty, wise, outrageous, and bloody hilarious.
