Follow the blueprint in this book to launch a library DIY community history digitization program—one that provides the access and fosters engagement with patrons to sustain the program over time.

- Takes readers through establishing local history digitization projects at the community level from start to finish, providing guidance on how to set up, maintain, and sustain ongoing digitization projects
- Describes how to train library users for digitization—instructions that are also applicable for including volunteers in digitization projects
- Explains how creating a DIY history digitization project can provide a community benefit and serve as a form of outreach that also enriches a library's local history collection
