Jonathan D. Varat, William Cohen, Vikram David Amar

Constitutional Law Concise Edition (University Casebooks) (University Casebook Series) Jonathan D. Varat, William Cohen, Vikram David Amar

The concise thirteenth edition continues to provide a fundamental overview of constitutional law, focusing closely on Supreme Court decisions. Key new principal cases or case summaries running the gamut from separation of powers and due process issues generated by the War on Terror, to questions of special standing of states to sue on behalf of their citizens in the fight against global warming, to abortion rights, school integration, the role of religion in public life, and the entirely new doctrine of individual gun ownership rights outside of militia service include: *Massachusetts v. Environmental Protection Agency*, *Gonzales v. Raich*, *Boumediene v. Bush*, *Gonzales v. Carhart*, *District of Columbia v. Heller*, *Parents Involved in Community Schools v. Seattle School Dist. No. 1*, *Crawford v. Marion County Election Board*, *McCreary County, Kentucky v. American Civil Liberties Union of Kentucky*, *Van Orden v. Perry*, *Cutter v. Wilkinson*. These and other cases, along with enhanced discussion materials cutting across constitutional doctrines, give maximum flexibility to instructors to tailor their courses as they see fit, while providing students with a breadth and depth of raw materials from which they can learn to synthesize and analyze, both in the classroom and on their own.
