## Decoration: 306090 Books, Volume 10

With *Decoration*, the long-running architecture journal *306090* enters a new era as it evolves into full-color book format. In this milestone volume mixing contemporary building projects with commentary and criticism from across the ideological spectrum, as well as interviews, studio profiles, and student work *306090* takes on one of the very last taboos of contemporary architecture: decoration. Daring to discuss a phenomenon that surrounds us, but has been quietly ignored or dismissed by theorists and critics in the better part of the twentieth century, *Decoration* addresses emerging trends in design, planning, landscape, and education. Contributors to this landmark installment include Jesse Reiser, Kent Bloomer, Kengo Kuma, Nina Rappaport, and Meredith Warner.
