Gods And Little Fishes: A Boy And A Beach Bruce Ansley

A heartfelt, hilarious and warm-hearted memoir of New Zealand in the 1960s. When you walk along the pier under the huge blue sky and with clean surf on either side, you can easily think that New Brighton is the loveliest place in the world. This was once New Zealand's most bustling township, however it became a parable of New Zealand when the revolution of the eighties and nineties derailed it. New Brighton's youth grew up in happy anarchy beside its great, glorious beach. In *Gods and Little Fishes*, Bruce Ansley gives us immediate entry into one such rich, well-lived boyhood and family life. He both captures the freedoms of a childhood many would envy now, and offers a perceptive adult sensibility charged with a partisan view. Not only a marvellous memoir, this is also a superb portrait of a seaside town set in the second half of last century. New Brighton's playing fields, the pier, the Cubs and Scouts, the main street shops, even the easterly, are given as much character as the township's old identities. The nuances of family life, the complexities of a marriage, the entanglements of small town relationships, and the very culture of the place are all conveyed with love and humour, as well as a sharp sense of what has been lost. The sound and brilliance of the sea, the wind, the women, the shadow of a generation of men who went to war: all are described with a poetic clarity and dancing wit that will make you long to have lived the author's boyhood alongside him.

From reader reviews:

Christina Rogers:

What do you concerning book? It is not important with you? Or just adding material when you need something to explain what the ones you have problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is make you feel bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this particular Gods And Little Fishes: A Boy And A Beach to read.

Donald Cortes:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want feel happy read one together with theme for entertaining including comic or novel. The Gods And Little Fishes: A Boy And A Beach is kind of reserve which is giving the reader unstable experience.

Josue Denson:

Is it you actually who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Gods And Little Fishes: A Boy And A Beach can be the answer, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

Christopher Gonzalez:

Reading a publication make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is written or printed or descriptive from each source that filled update of news. In this modern era like now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just looking for the Gods And Little Fishes: A Boy And A Beach when you necessary it?
