**Jesus or Yeshua: Exploring the Jewish Roots of Christianity** Louis S Lapidès

**Jesus or Yeshua: Exploring the Jewish Roots of Christianity.** It has taken 2000 years for the Jewish roots of Christianity to be yanked out of its Hebraic origins. In contrast, the Jewish or Gentile follower of Jesus who reads *Jesus or Yeshua: Exploring the Jewish Roots of Christianity* will discover that much of everyday Christian terminology is strongly connected to the original Jewish background of the biblical Christianity.

Lapidès' goal in compiling this brief 32 page guide is to help Gentile believers recognize those "Christian" terms that have been historical stumbling blocks to Jewish seekers and yet hold the key to help Jewish people gain a deeper understanding of the New Testament messianic faith. In addition, the Jewish seeker who reads *Jesus or Yeshua* will discover the wonderful message of Jesus as the Messiah of both Jewish and Gentile people.
