The Message of Deuteronomy (Bible Speaks Today) Raymond Brown

Reading Deuteronomy can be like standing before Israel with Moses, hearing him address us as a future generation of the covenant people of God. Though we may have passed over the Jordan into the good land, we still struggle with temptations and opposition. Raymond Brown's *The Message of Deuteronomy* guides Christians to hear and appreciate the timeless relevance of this message from the Plains of Moab. His compilation of important historical and biblican background complements his even-handed, penetrating commentary without overwhelming his readable style. A great gift for the experienced and the beginning Bible reader.
