**The Way of Conflict: Elemental Wisdom for Resolving Disputes and Transcending Differences** Deidre Combs

The Way of Conflict teaches strategies for using ancient wisdom and modern techniques to confidently engage in any dispute and reach a balanced resolution. This groundbreaking book integrates the wealth of conflict skills found throughout the world's major religious and indigenous traditions with the latest scientific systems and conflict resolution theory. It uses the cross-cultural metaphor of the four natural elements — earth, water, fire, and air — to identify the innate conflict personality types and propose a productive path through the chaos of conflict. Combining her extensive experience as a licensed mediator and corporate trainer with wisdom gained from years of spiritual study, Combs uses assessment tests, anecdotes from indigenous and religious traditions, and illustrative folktales to show how to quickly assess a conflict and implement an appropriate resolution strategy.
