Bad Conscience Michel Quint

One morning a devastating earthquake shakes the residents of Aix-en-Provence, France, out of their beds. When a group of college students decides to take advantage of the ensuing chaos by looting a destroyed jewelry store, they are quickly in over their heads. One by one people around them are dying. Bitter and desperate, survivors are fleeing town in search of a safe haven, complicating the escape path of these unlucky petty thieves.

What started as a get-rich-quick scheme reveals the complex plans of a dangerous criminal mastermind who has evaded capture for years. Professional criminals, amateur thieves, and deranged cops are all racing after jewels. With all their lives in the balance, who will be the last one standing?
