Friday Was the Bomb Nathan Deuel

In 2008, Nathan Deuel, a former editor at Rolling Stone and The Village Voice, and his wife, a National Public Radio foreign correspondent, moved to the deeply Islamic Kingdom of Saudi Arabia to see for themselves what was happening in the Middle East. There they had a daughter, and later, while his wife filed reports from Baghdad and Syria, car bombs erupted and one night a firefight raged outside the family's apartment in Beirut. Their marriage strained, and they struggled with the decision to stay or go home.
