Baseball and ghost stories are as American as apple pie. **Haunted Baseball** combines both with this fun and freaky collection of otherworldly yarns. Collected from baseball players, stadium personnel, umpires, front-office folks, and fans, the tales told here explore the spooky connection between baseball and the paranormal, including Babe Ruth sightings at a former brothel, the Curse of the Billy Goat that still haunts the Chicago Cubs, of hidden passageways within the depths of Dodger Stadium, and of the spirits of legendary stars that inspire modern-day players at Yankee Stadium. We hear why Johnny Damon believes in ghosts, and how the memories of a 9/11 hero inspired Ken Griffey Jr. to hit a home run against the Phillies? a team against which he'd never even gotten a hit! There's the story of how Sam Rice settled a decades-old baseball controversy with a message from beyond the grave, and how the late Roberto Clemente had premonitions of his own death in a plane crash. With a wealth of anecdotes that have never before been told before, the authors present an entertaining and eerie look at our national pastime.
