Los Gatos Peggy Conaway

Nestled in the heart of a dramatic natural amphitheater formed by the Santa Cruz Mountains, Los Gatos serves as the gateway from the Santa Clara Valley to the Pacific Ocean. This happy accident of location allowed historic Los Gatos to witness a colorful parade of swashbuckling explorers, Franciscan padres, and hearty American pioneers, many of whom came to harvest virgin redwood forests from the mountains and grow fruit in exceptionally fertile soil. Los Gatos grew up around the 1850s flour mill established by Scotsman James Alexander Forbes. In 1878 the railroad arrived and was a powerful influence for more than 80 years. Named for the mountain lions that still inhabit the area, Los Gatos has reflected the expansive richness of the California Dream for 150 years.
