Something very unusual is occurring on this planet right now. You have no doubt noticed it. It may be producing a more than normal amount of challenge and disjointedness in your life, and perhaps even some major upheavals. You are probably noticing it in the lives of others as well.

For a while you may have thought that this was all just your mind playing tricks on you; that things were not really happening any differently, and that you're just a little tired, a little overcommitted, a little oversensitive.

But now, as each day presents itself with obstacles mounting and challenges increasing and more and more personal issues coming up to be faced and healed, it is apparent that all of this is not an illusion, not an exaggeration. So you may be asking, "Why is all this happening? What am I doing wrong?"

And here's the answer . . .

You're doing *nothing* wrong.

AND . . . there is something very unusual going on right now in your life, and all over the planet.
