The Study of the American School Superintendency, 2000 is the ninth 10-Year Study of the American School Superintendent commissioned by AASA. This 174-page reference work on the superintendency is the largest and most comprehensive look at the men and women leading our nation's public schools. It includes a wide range of information about and from superintendents, including a close examination of: Superintendents' personal characteristics, professional experience and professional preparation and training, Superintendent/school board relations and other issues affecting education and leadership, Women and minority school leaders, The history of the school superintendent in American public education, And more! The Study of the American School Superintendency, 2000 is a valuable resource for school leaders, aspiring school leaders, and those charged with preparing and supporting school leaders. In 2007, AASA will publish the 10th study of the superintendency. So, we're making room for the new study and offering the 2000 study at more than 70% off! Buy yours now, before it's too late!
