*Daniel Stern*

**Twice Upon a Time: Stories** Daniel Stern

**More sly and imaginative tributes to some of the greatest writing of the modern age, from author Daniel Stern**

In *Twice Told Tales*, Stern wonderfully reimagined classics of world literature—from Forster to Freud—in homage to their authors and the power of great writing. *Twice Upon a Time* continues the project, though this time Stern goes further, weaving stories around texts as diverse as Marx and Engels's *The Communist Manifesto* and the poetry of Wallace Stevens. In “Bartleby the Scrivener,” Melville's famous copyist is relocated to Hollywood; the hero is an agent who “would prefer not to retire.”

Infectiously clever, *Twice Upon a Time* enchants like the best of the authors to whom it pays tribute.
