## Leaving Dublin: Writing My Way from Ireland to Canada Brian Brennan

*Leaving Dublin: Writing My Way from Ireland to Canada* is an engaging and entertaining exploration of a man's life that begins in middle-class Dublin, includes stints as a travelling musician and broadcaster in Canada, and culminates in a career as an award-winning journalist and bestselling author. With passion, candour, humour and vivid stories, Brian Brennan tells how he left a soul-destroying job in the Irish civil service to seek new opportunities in a country where he had no friends and no family connections. He offers revealing glimpses of suburban life in the postwar Ireland of the 1950s, the commercial music scene in Canada during the 1960s, and the commercial radio and newspaper scene during the last third of the 20th century, when journalism went from being a business with a conscience and a higher purpose to an enterprise owned by large corporations that care more about private profit than public debate.
