## **My Life and Lesser Catastrophes: An Unflinchingly Honest Journey of Faith** Christina Schofield

Just after her thirteenth wedding anniversary, Christina Schofield woke up groggy and disoriented, surrounded by nurses in a hospital. She and her husband had hit a gravel patch while on their motorcycle and crashed into a ditch. With the exception of a concussion, she was fine. But Allen had broken his neck. He was now a quadriplegic.

With her entire life flipped upside down, she began an astonishing journey of tenacious faith amid increasing doubt. Full of dark, silent hours and a woman's honest questioning of the God she thought she knew, this is also a story full of miraculous answers to prayer and head-scratching, awe-inspiring encounters with her loving Lord.

With candid warmth and transparency, Christina shows readers that even in their darkest hours, God's goodness shines through.
