Sex and the Marriage Covenant: A Basis for Morality

John Kippley

Sex and the Marriage Covenant: A Basis for Morality John Kippley

The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant. From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act. Thus the title, *Sex and the Marriage Covenant*, is an appropriate description of the book's contents. Marriage comes into being by a couple unreservedly entering God's covenant of marriage; contraceptive intercourse contradicts the very essence of the marriage covenant. From these considerations, Kippley developed the covenant theology of sexuality described in this book.
