This collection of fifteen stories from Warlpiri elders reflects the importance of the Dreaming in all of its manifestations. Recorded and translated here for the first time are stories rich with insight into Aboriginal spirituality and life - on subjects as diverse as adolescence, love, hatred, sexuality, marriage, family, war, peace, physical and psychological survival, and aging. Told with wisdom and elegance, and illustrated with Warlpiri maps, these narratives evoke the integral relationship between the Australian landscape and Aboriginal spirituality.
