In John 9, Jesus heals a man blind from birth. This is shocking. Even more: This miraculous healing is a microcosm of the whole Christian gospel. In merely seven verses of text, the contemplative Bible reader can see the fruit of the Holy Spirit's work, putting the infinite Word of God into a mere handful of human words. In *Christ the Lightgiver*, Clifton Stringer explores the story of the gospel from creation to the fall, then from the incarnation to the mystery of Jesus' (and our) Passover to eternal life.

Converge Bible Studies is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. *Converge* can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in *Converge* come together to transform readers' relationships with others, themselves, and God.
