Elizabeth: England's Slandered Queen (England's Forgotten Queens) Arlene Okerlund

Elizabeth Wydeville, Queen consort to Edward IV, has traditionally been portrayed as a scheming opportunist. But was she a cunning vixen or a tragic wife and mother? As this extraordinary biography shows, the first queen to bear the name Elizabeth lived a tragedy, love, and loss that no other queen has since endured. This shocking revelation about the survival of one woman through vilification and adversity shows Elizabeth as a beautiful and adored wife, distraught mother of the two lost Princes in the Tower, and an innocent queen slandered by politicians.
