## Nearer, My God William F. Buckley Jr

His Roman-Catholic faith has been an enduring part of the life and personality of William Buckley, Jr. Now, for the first time since his ground breaking *God and the Man at Yale* he has written a book about faith--his own.

*Nearer, My God, An Autobiography of Faith* is William Buckley's superbly written story of his life seen through his abiding love for the Catholic Church, a love instilled in him from childhood. He reminisces about his school days in England, his family, the affect the Lunn/Knox dialogue had on him, and examines many aspects of Catholicism and its theology, doctrine and liturgy and on the way discourses about Lourdes, the vernacular mass, the Church and the State, the Crucifixion, the priesthood, contraception as well as the many people who have assisted him on his life's journey. A remarkable, revealing book about one man and his faith.
